This advice must be sent to KiwiRail Network Operations Support

Phone: 0800 288 000

Email: support.operations@kiwirail.co.nz

Notes:

1) All urgent faults (including the loco radio) must be reported to the Train Controller.

The Train Controller will arrange a KiwiRail Network response via the KiwiRail Network Operations Support Desk.

2) Unit/Loco radio faults must be logged with KiwiRail Network Operations Support Desk as well as recorded on the Loco54D form

All particulars on this form must be legible for the particulars to be recorded correctly.

Hand completed copy of form to your Manager
